Amenities

Have it all: river setting at the confluence of Capital Creek and Snowmass Creek, 200 foot towering pines and cottonwoods, horse pastures, pond, 5 stall barn with bathroom, tack room and heated finished office/artist studio space, a 4 bedroom main home and 2 bedroom guest house. Truly a compound.

Description

Located at the confluence of Snowmass and Capital Creeks, the main house interior finishes are a warm mountain style. Large Log beams with windows from floor to ceiling bringing the outside in. Enjoy the volume of the great room and the towering wood-burning fireplace constructed of Colorado Farmer Field Stone. The great room combines the living room, dining room, and exquisite gourmet kitchen. The master suite features a fireplace, balcony, elegant marble bathroom, jacuzzi tub, steam shower and large walk-in closets. The family/entertainment room has beautiful ston walls, built in cabinetry with high tech tv and stereo, billards area, steam room and game areas.

The guest house is surrounded by a charming porch that accesses the trees and creeks. There is a basketball court in the trees. The house has two bedrooms, two bathrooms, a laundry room, kitchen and living room. It is truly the cabin in the woods.

The barn is finished like a house, it has five stalls barn with a heated and finished tack room with a bathroom; Also the upstairs is heated and finished to be used as a office or studio.
