Description

A beautifully decorated 4 bedroom home plus media room located in Aspen's newer high-end subdivision of Silverlode. The master is privately located on the 3rd level with a King bed, deck, Jacuzzi tub, steam and fireplace. 3 other bedrooms (Queen, King & double bed) are located on the 1st level and all have private baths with designer interiors.

Wood floors are accented by big windows that bring the mountains inside under the vaulted ceiling for open, light living areas on the 2nd level. Any cook will love the roomy and open kitchen done in the finest finishes and fixtures.
