**Description**

With three levels this townhouse at Galena Place offers plenty of space and it's only steps from the Gonodola and all the restaurants. An elevator will help you to each floor from the underground parking. Two bedrooms (King &twins) are located on the first level, which is the entry area and the master as well as a second guest bedroom are located on the floor above. The spacious master has a king bed with a lovely granite bath equipped with a Jacuzzi tub and steam shower. The other guest room is a king bed. All bedrooms have private baths.

The top floor has big open views of Aspen, Red Mt. and the city, which allows for lots of light and scenery. There is a well-equipped kitchen and a dining area for at least 8. A double faced fireplace allows you to enjoy the gas fire from either the living area or the dining area. A powder room is on this upper level as well a large screen TV.

There is a deck off the living room, the kitchen and the master. The deck off the kitchen has a BBQ grill.
